At Ratcliffe & Bibby our aim is to keep it simple – advising our clients in a language they can understand and fully appreciate. There is no Heavy Salesmanship at our company – we advise, our clients make the decisions. Having served our local community for in excess of 100 years the vast majority of our new business is obtained by client recommendation – we feel that speaks for itself.

When considering any of the above legal issues, please feel free to call us and chat with one of our friendly Team – you will be pleasantly surprised just how approachable our people are.

Introduction from the
Morecambe Bay Golf Festival Committee

With the aim of extending the Golf and Tourism season in Morecambe and Lancaster the Festival was introduced in 2000 and we believe it has achieved both goals with great success.

May I take this opportunity to welcome everyone and I sincerely hope you have an enjoyable visit.

I would like to convey my thanks to the directors of Heysham, Lancaster and Morecambe Golf Clubs for allowing this festival to be held once again and it promises to be a very special week.

It is important to acknowledge the generous contribution of our sponsors and the vital role they play in the Festival’s success. Thanks are due as always to the unstinting efforts of the organising committee.

The excellent facilities of the Clubs are at your disposal and we hope that you take full advantage of the Catering, Bars and Professional Shop services.

The Captains of Heysham, Lancaster and Morecambe join me in wishing you all every success in the events.

St John’s Hospice has been providing care and support to patients and their families across North Lancashire, the South Lakes and parts of North Yorkshire since 1986.

We care for and support adults with life limiting conditions. We are dedicated to ensuring that every patient enjoys the highest quality of daily life and believe it is important to involve our patients and family in the formulation of their personal care plan. We aim to achieve the best possible quality of care for patients with an advanced progressive illness and we do this through the provision of our three main services.

In our In-patient Unit we have 13 beds. A dedicated team of specialist doctors and nurses provide 24 hour care, 365 days a year. Emphasis is placed on the relief of symptoms, respite care and on offering emotional and spiritual support.

The Day Hospice provides a place for people to come and talk to others going through similar experiences, make friends or relax with a complimentary therapy session. The aim of the Day Hospice is to enhance quality of life by monitoring and reviewing a patient’s symptoms on a weekly basis. In addition, we run specialist clinics for particular conditions like Lymphoedema and Motor Neurone Disease. We also facilitate a Parkinson support group and a new Positive Living Group at the hospice.

Our Hospice at Home Team provides short term nursing care for patients in their final stages of illness, who are either living at home or in residential care. Their work in the community is vital to ensuring we can support and assist with caring and ensuring that patients and families receive much needed support in the place of their choice. They currently provide this service 24/7 across the whole of our catchment area.

Our overall aim is to put local patients and families at the heart of everything we do to ensure that on the journey towards end of life we provide the right care in the right place at the right time.
Message from the Festival’s Honorary President

As Honorary President of the Morecambe Bay Golf Festival, I would like to welcome you to the most beautiful part of North Lancashire and wish you the very best of luck during what I am sure will prove to be another successful week.

Over the years, I have many happy memories of playing golf at Heysham, Lancaster and Morecambe. They are fine courses, which demand good course management, straight driving and a devilishly good putting touch.

I started golf at the age of four at Grange Fell Golf Club whilst living in Grange and Heversham. I can honestly say that Morecambe Bay is very close to my heart. I know the area well and can think of no better place for good hospitality, fine views and an opportunity to relax away from the hubbub of commuter life.

2012 was my first full season on the European Senior Tour, and I achieved one of my goals by breaking into the top ten of that season’s Order of Merit, finishing a creditable fourth in a season which lasted from February to December using courses from Brunal to Maritiuis. It was a tough but enjoyable experience to compete with and against many golfing heroes: Ian Woosnam, Barry Lane, Sandy Lyle, Mark James and Sam Torrance to name but a few. Hopefully, with continued hard work and dedication, I can continue to taste success on the tour.

I sincerely hope that you are able to achieve half as much pleasure out of the game as I have been able to do in the years I have been playing. Whatever level you attain, we are all fortunate to be part of the worldwide family of the greatest game there has been.

With my very best wishes for a fine golfing week.

Yours most sincerely

Gary Wolstenholme MBE

The Story So Far

The Morecambe Bay Golf Festival started way back in September 2000.

It was hoped to be able to promote and develop the facilities of the three Golf Clubs and to make golfers aware of an area of outstanding natural beauty with its many attractions.

By staging the Festival in early September, it has extended not only the golfing season, but also increased the number of visitors staying in the area giving the local economy a late season boost.

As Local and National Companies continue to sponsor the Events the prize fund has now reached almost £10,000.

The Morecambe Bay Golf Festival is endorsed by Gary Wolstenholme M.B.E., twice amateur champion, Walker Cup player and now very successful Senior Tour player.

The financial contribution the Festival has made to the three clubs and the local economy is amazing and we need to ensure that it continues far into the future.

As in previous years this years chosen charity will be St John’s Hospice in Lancaster.

We would like to thank the three golf clubs and their teams for making the Morecambe Bay Golf Festival a success and hope that along with local business sponsors, they all continue to support us in the future.

Visit our web site morecambaygolffestival.com for results, photos of the event and booking forms for next year.

While it is true that a round of golf provides minimal fitness benefits, a reasonable level of musculoskeletal conditioning is necessary to prevent both traumatic and overuse injuries. Unlike walking and putting, which are almost risk-free activities, the golf driving action is an unusually complex, explosive and problematic movement that has a relatively high injury potential.

A well-designed strength training programme could increase golfers’ muscle strength and decrease their risk of injury. Here at 3-1-5 we have created a “Golf Fit Programme” that includes specific stretching exercises to increase golfers’ joint flexibility and likewise reduce their risk of injury. The Golf Fit programme is further enhanced by the revolutionary X-Force Strength Training to combine your efforts to develop a basic golf conditioning program that involve a dozen X-Force strength-training exercises and six dynamic stretches. The total training program requires less than 30 minutes for completion. We would like to invite you step forwards this winter and prepare for 2015 Golfing season and make this your best golfing year ever.

The 3-1-5 Golf Fit programme is based on a leading strength and conditioning programme “Wayne Wescott Nautilus Golf Fit Programme” which had a study group of 77 golfers (average age 57) who completed a similar golf conditioning programme to 3-1-5 Golf Fit Programme.

After just eight weeks of brief strength-training sessions (30 minutes, three days per week), these golfers made some impressive physical improvements. On average, they added 3.9 pounds of muscle, they lost 4.1 pounds of fat, they increased their muscle strength by 56 percent and they reduced their resting blood pressure by 4.5 mm Hg. Those who also performed five minutes of stretching exercise averaged a 24 percent increase in overall joint flexibility and a 5.2 mph increase in driving power (club head speed). None of the participants reported an injury during the playing season following the conditioning program.

Clearly, proper muscular conditioning can play a major role in increasing driving distance and decreasing injury risk. Physical fitness can also make the difference between feeling fatigued or energetic on the back nine. If playing longer and stronger are important to you, then a simple golf conditioning program should make good sense.

This programme ideally suited to middle-aged and older men and women who participate in golf and our conditioning programme will significantly improve your physical fitness, body composition and personal health status. However, just as important to your golfing performance, you will increase your driving ability [club head speed] by more than 5 mph after just two months of training. Although injury prevention is sometimes hard to quantify, our Golf Fit training programme will reduce the risk physical problems during the following playing season.

X-Force is an indispensable “game-changer.” Brief workouts with a higher intensity stimulated a response that most advanced trainees had NEVER before experienced. Strength, flexibility and cardio-respiratory efficiency stimulated in one workout, once a week! Exclusive and only available at 3-1-5 Lancaster.

Compared with previous research and studies training with X-Force over 8 weeks achieves

- 120% more muscle gain,
- 86% Strength gain,
- 27% more fat loss

This is exceptional compared with conventional training methods and supports the X-Force claim, that users experience twice the results with half the workouts. This gives sports people more time to focus on the key training disciplines and the technique of their chosen sport which leads to an overall improvement by way of results, player progression and team performance.
FESTIVAL FORMAT

Handicap limit: Ladies 36 Men 20 with 90% of handicap allowance (new CONGU rules). Men will play off yellow markers and Ladies will play off their tee markers and their own scorecard. Fourball betterball: Best score to count. Team Events: Best two scores to count.

In the event of a card play-off, our formula is back 9, 6, 3 last hole, front 9, 6, 3 first hole. Should a tie occur in the 3 day Festival Trophy event, the scorecards on the final day will be used to determine the overall winners. In the event of inclement weather this competition may be reduced from 54 to 36 or 18 holes.

Prizes will be vouchers for either the Professional’s shop or for Carrs of Garstang. If prize-winners are not represented at the presentation, they will receive 50% of the prize for the Pro’s shop and 50% for Carrs.

A COMPETITION RESULT WILL STAND WHEN 50% OF THE ENTRANTS COMPLETE THEIR ROUND.

Simon Fletcher Fellow of the PGA
Morecambe Golf Club Professional

A quick look inside Morecambe’s Pro Shop quickly reveals why it was a winner of the Pro Shop of the Year award at the prestigious TGI Golf Partnership annual awards recently.

Simon Fletcher, Head PGA Professional at Morecambe Golf Club, has completely refurbished his shop which now stocks leading clothing brands like Hugo Boss and J Lindeberg alongside all the leading golf equipment manufacturers. The shop now has a new modern feel where designer clothing sits alongside the very latest golfing gear.

It has become an ideal place to browse and seek advice from Simon and his team whether you are looking for clothes or clubs. And remember, only a few steps away and you are in the indoor school where you can be custom fitted for the very latest golfing equipment.

Morecambe’s PGA Professional Simon Fletcher has been a supporter of the Morecambe Bay Festival ever since its inception and this year is no exception. As he explains: “It is a great event that really showcases the golfing opportunity in this wonderful part of the year. I am sure that everybody taking part whether they are regulars or newcomers will recognise the challenge of our courses. They are all so different which is why the festival is so interesting.”

If you are visiting Morecambe for the first time, pop in and see Simon and his team. They are always on hand to advise on everything from the clothing on display to the latest clubs and equipment from most of the leading golfing manufacturers. And if you have a little more time, book a time with Simon in the indoor school for a lesson or a chance to have your clubs expertly fitted. The new GC2 with HMT launch monitor with full simulation of ball flight is now available for the most accurate and detailed custom fit.

It is all part of the Morecambe golfing experience so ring Simon on 01524 415596 to find out more.
Morecambe Golf Club

“We never realised that this gem of a course existed”

Although situated on the coast, Morecambe Golf Club is a parkland style layout with magnificent views over Morecambe Bay and beyond to the Lakeland Hills. The course is located a mere 10 minutes away from the M6 motorway, allowing easy access to our renowned golf course.

Morecambe Golf Club has a vibrant membership through all categories with vast practice facilities including a dedicated short game area, driving range and two putting greens; one combined for pitching.

The course might not be long, but it is tricky, expertly designed by the renowned Alister Mackenzie, most famous as the architect of Augusta National, home of the U.S. Masters. His trademark greens are to be seen everywhere as are the subtle curves of the fairways and the strategically placed bunkers.

The course drains very well and is open all year round. It is not often that the club has to revert to either temporary tees or greens, so if you are seeking some challenging golf all year round then Morecambe must be the course.

Morecambe Golf Club has long prided itself on the warmth of its welcome. Visitors can enjoy the most convivial of surroundings before and after playing one of the North West most challenging courses. During the summer months probably the most popular location for members and visitors is our purpose built veranda. With magnificent views of the course and the surrounding fells this is the perfect spot to enjoy a drink or bar snack whilst analysing or contemplating your round. Morecambe makes no distinction between members and visitors in its bar pricing policy, the same low prices are available to both.
